ISGCT
The Irish Society for Gene & Cell Therapy

Annual Conference 2026

Welcome Note

The **Irish Society for Gene and Cell Therapy (ISGCT)** warmly invites you to join us at the ISGCT Annual Conference 2026, taking place 22nd – 23rd January 2026 at the Galmont Hotel, Galway.

Following the success of our 2025 meeting, this year's conference promises to be an even more dynamic gathering of scientists, clinicians, industry leaders, and students from across Ireland and beyond. Together, we will explore the latest advances in gene and cell therapy, foster new collaborations, and showcase the incredible innovation taking place in this rapidly evolving field.

Why Attend?

The ISGCT Annual Conference is the main Irish event dedicated solely to gene and cell therapy. By attending, you will:

- ✓ Gain insights into cutting-edge research and clinical developments.
- ✓ Network with leading national and international experts.
- ✓ Discover new partnership and funding opportunities.
- ✓ Engage with both academic and industry perspectives in an intimate, collaborative setting.

Who Attends?

- ➢ Academic researchers and principal investigators.
- ➢ Clinicians and healthcare professionals.
- ➢ PhD students and postdoctoral researchers.
- ➢ Industry representatives from biotech, pharma, and medtech.
- ➢ Policymakers and research funding bodies.

About ISGCT

The ISGCT is dedicated to advancing the science and application of gene and cell therapy through research, education, and professional collaboration both in Ireland and internationally.

Our mission is to:

- Foster the exchange of knowledge and ideas between researchers, clinicians, and industry partners.
- Support groundbreaking research in gene and cell therapy in Ireland.
- Build a vibrant, connected community in this transformative area of medicine.

ISGCT 2026 Location & Dates

Date: 22nd – 23rd January 2026

Venue: The Galmont Hotel, Galway, Ireland

Located in the heart of Galway city, the Galmont Hotel offers a fantastic conference setting, just minutes from the vibrant cultural life and stunning Atlantic coastline of the West of Ireland.

ISGCT
The Irish Society for Gene & Cell Therapy

Annual Conference 2026

ISGCT 2026 Main Topics

Cellular Immunotherapy
CAR-T, CAR-NK for haematological cancers, solid tumours and autoimmune diseases

MSC Therapy
Biology, manufacturing and clinical trials

Exosomes
Biology, manufacturing and clinical trials

Gene Therapy
Vectors, clinical applications

Patient perspectives

Induced Pluripotent Stem Cells
Disease modelling, drug screening, therapeutic applications

Advanced Manufacturing and GMP
AI, automation, scale up

Regulation
EU and US insights

Company Highlights
Investment, challenges, success stories

Young Scientist Spotlight

ISGCT 2026 Programme Overview

The ISGCT Annual Conference 2026 will run across two full days, with sessions scheduled from 09:00 – 18:00 each day at the Galmont Hotel, Galway.

The programme will feature a rich and varied mix of scientific sessions, including:

- **Invited talks** from leading national and international experts
- **Selected oral presentations** showcasing cutting-edge research from the Irish gene and cell therapy community
- **Flash talks** highlighting emerging projects and early-stage findings
- **Poster sessions** providing opportunities for interactive discussion and networking
- **Networking breaks and exhibition sessions** to foster collaboration and industry engagement

The conference will provide a dynamic platform for sharing knowledge, sparking new collaborations, and celebrating innovation in gene and cell therapy.
